Is the content coverage exhaustive?
Yes, we shall courier you all the videos(120 Hours Plus for CFA, FRM) and notes. Every single LOS, Topic Subhead is covered. However, Schweser material has to be purchased by you. Everything else shall be provided. Details of Book Seller may be provided on request. All practice Papers, Mind-maps, etc. shall be provided.

Will I get the most recent term's video?
Yes, you shall receive content apt for the current term. And due to the same reason, it is possible that you may receive the content in two installments.

What does the Course Fee Include?
The Videos, Practice papers, Notes, Pen Drives, Courier Charges.

What is the validity of my videos, if I plan to defer my exam?
You may write a mail to us and we have a record of the views and the viewing date. We shall extend the validity of your videos. The same applies for those who want to start preparing early

How Is the video quality?
The videos shall be of HD quality like the ones on YouTube. The old videos uploaded on YouTube are not of HD Quality.(Check videos uploaded after May'16)

Do I need a broadband Connection?
Internet connection is required to authenticate the video only. Once the authentication is done, the video shall play and internet is not required any more. It need not be downloaded or buffered.

Can I copy, record or transfer videos?
The classes are for students' personal preparation and are not to be used for any commercial purposes. Transferring, copying, circulating or recording the video in any manner is strictly prohibited.

How many times can I watch a video?
You shall receive 3 views per video. This is to prevent misuse. If for technical issues, you have lost views, or you need to revisit a topic beyond 3 times, you may drop a mail and the views shall be increased for the requested videos at no extra cost. While viewing the video, you will not be able to run other functions on your computer.

FAQ contains details regarding Validity of the videos, no of views available, format supported etc. Please do not skip this step.
